

Herbal Teas & Infusions

Contract Manufacturing Solutions

At ASLI AYURVEDA, we specialize in crafting premium HERBAL TEAS AND INFUSIONS, designed to bring the purest essence of nature to every cup. With our state-of-the-art manufacturing facilities and dedication

to Ayurveda's ancient wisdom, we provide custom FORMULATIONS, BLENDING, AND PACKAGING solutions to meet the needs of your brand. From flavorful blends that delight the senses to wellness blends that nourish the body and soul, we offer a wide range of options in bespoke packaging styles to suit your product line.

Our Packaging Options

We understand that presentation is as important as the product itself. ASLI AYURVEDA offers a variety of packaging solutions to ensure your teas are presented with elegance and durability.

Aluminum Jars with Sachets:

Airtight and premium, perfect for preserving the freshness of your teas.

Pyramid Nylon / PLA Tea Bags:

Strong, durable, and designed for superior infusion while maintaining the tea's flavor and quality.

Tailored Packaging Options:

We also offer fully customized packaging solutions to align with your brand's specific needs, from eco-friendly materials to luxury packaging designs.

Flavorful Blends

Our flavorful blends are crafted to please the palate with unique combinations of traditional herbs and modern flavors:

Spicy Turmeric Tea:

A bold blend of turmeric with a hint of spice, offering a vibrant and warm flavor.

Spicy Hibiscus Tea:

Tart and refreshing with a spicy kick, ideal for those who enjoy a zesty experience.

Detox Tea:

A balanced herbal blend designed to cleanse and rejuvenate the body naturally.

Jasmine Green Tea:

Fragrant jasmine blossoms blended with green tea leaves for a soothing, aromatic experience.

Mint Tea:

Refreshing and cool, perfect for relaxation and digestion.

Wellness Blends

Designed with health and well-being in mind, our wellness blends combine Ayurvedic herbs known for their therapeutic properties. We also offer customized blends tailored to specific health needs:

Tulsi Green Tea:

A stress-relieving, immunity-boosting blend of holy basil (Tulsi) and green tea.

Turmeric Ginger Tea:

A powerful anti-inflammatory duo of turmeric and ginger, perfect for overall health and vitality.

Shatavari Tea:

Ideal for women's health, especially for hormonal balance and reproductive wellness.

Herbal Black Tea:

A robust, earthy blend infused with Ayurvedic herbs for a rich and nourishing experience.

Pineapple Tea:

Light, fruity, and packed with antioxidants, promoting digestion and wellness.

Ailment-Specific Blends

We offer a wide range of blends formulated to address specific health concerns, tailored to support well-being:

PCOD Tea:

A special blend designed to support hormonal balance and reproductive health.

Skin Health Tea:

Formulated with Ayurvedic herbs to promote a radiant complexion from within.

Liver Health Tea:

A detoxifying blend that supports liver function and overall detoxification.

Heart Health Tea:

A blend enriched with herbs that promote cardiovascular health and support heart function.
